# READILY AVAILABLE MEDIUM-DUTY VEHICLES

Your business can't afford to be disrupted. That's why Penske remains committed to meeting your needs with versatile medium-duty trucks.

If you've thought about upgrading or expanding your fleet with a medium-duty truck, Penske Truck Leasing has a variety of options to keep your business moving forward.

Our late-model vehicles are **available immediately** and equipped with the latest comfort and safety equipment so you can drive with confidence. Get flexible terms and low rates on:

- Freightliner M2 106
- Hino 268/L6
- International MV 607

We also have **favorable production slots** at Freightliner, International and Isuzu, ensuring you have timely access to the custom spec'd vehicles you need.

## **Rely on a Trusted Partner**

We are ready and committed to helping you find the right vehicle. If you are currently experiencing significant vehicle delays, please contact Penske Truck Leasing today for a range of alternatives and solutions.

Contact me today for more information.
